

BookTrust's Home Time

Bookstart
BookTrust

A digital hub with resources from the wonderful community of children's authors and illustrators has been created as part of **#Booktrushometime**. Listen to authors read their stories and offer tips, advice and storystarters for creative writing at home or follow illustrators as they show us how to draw all our favourite characters.

You'll also find online books and games, quizzes, activities to print, recipes to bake as well as rhymes to listen to and all the usual fun you expect from BookTrust.

Log on and get involved as Booktrust helps us stay **#unitedbybooks**

Check out the Bookstart website for more information
